

Royal Greenwich is a borough synonymous with first class modern services. Our vibrant, diverse communities span Greenwich town centre in the west, to Thamesmead in the east, from the Greenwich Peninsula in the north to Eltham in the south. We are proud of our health, adult social care and children's services and their respective workforces which respect the borough's diversity and add richness, productivity and innovation to the services we deliver.

Assistant Director, Quality Improvement: Children's Services Up to £106,000

Royal Greenwich is an inclusive employer, our organisational diversity is one of our greatest strengths and it really matters to us. We want our workforce at all levels to reflect and respect the diversity of our communities, bringing richness, inclusivity and innovation to our work and the services we deliver. We know we are not there yet at the senior leadership level and actively encourage applications from under-represented groups. We put equity at the heart of our recruitment and are committed to tackling discrimination in all forms. We are steadfast in promoting a diverse and inclusive community, an environment where we can all be ourselves, flourish and succeed
