

Brent ASC Culture Statements

The following statements were developed with all staff. These are the values and behaviours that all staff will be promoting through their work and attitudes.

We work together to achieve the best outcomes for residents

We support positive risks and are accountable for our actions

We value and respect each other's contributions

We are empowered to achieve our best and develop our workforce

If you have any questions about the culture at Brent ASC please email TransformingASC@brent.gov.uk
